Defined for Learning Success.

The EdCast unified experience platform now includes the integration of Instilled content for an even more robust learning journey.

Through **EdCast integration with Instilled**, learners benefit from robust content delivery within personalized learning journey that are seamlessly tracked within the **EdCast** experience platform. Instilled content recommendations and training assets are surfaced within EdCast, driven by the learners' learning goals and skills, all powered by our AI Skills Engine.

Instilled also helps to capture, catalog, and discover organizational knowledge at scale.

Benefits Realized by the EdCast-Instilled Integration:

Content Access and Searchable within EdCast

- Courses are available as **Smartcards** in EdCast.

- Users can access content seamlessly by logging into their SSO-enabled EdCast account.

- Course search and navigation is very easy on EdCast LXP as it serves as an aggregated content platform.

- On EdCast, Instilled-hosted content can be:
  - Added to pathways and journeys
  - Posted to channels
  - Shared with other users and groups
- Instilled content is displayed in EdGraph reports.

Content Synchronization

- Daily synchronization between Instilled and EdCast.

- Synchronized content includes learning content such as videos.
